Class Description: Your student will learn about the birth & growth of our nation, American character and exceptionalism, the Age of Industry, the Progressive Era, the Depression, our involvement in wars, the Global Age, our strength & influence abroad, and the New Millennium.

We will be doing some fun & creative projects along the way to enhance your learning experience.

From A Beka, we will study "the events, personalities, and ideas that have shaped America from 1492 to the current millennium - focusing especially on God's role in our national identity! Trading a conflict-based narrative for an emphasis on "what has made our country great and what can keep it great," this text is filled with colorful photographs, illustrations, maps, and timelines."

Required Materials:

1. Student text: United States History in Christian Perspective: Heritage of Freedom / A Beka (\$33.50)

2. Pen and or pencil
