

LIBERTY LIBERAL ARTS ACADEMY

Dr. Ann McNeill Teacher Bio

I have taught English, Law, History, American Government & U.S. Constitution courses as a Professor & as a Teaching Assistant at the undergraduate and graduate university levels. I have also taught in private Christian schools for several years at the middle & high school levels.

I hold a B.A. in English Literature and Master's & Ph.D. degrees in Philosophy. I have a law degree (J.D.), and advanced law degrees (Master's/LLM & Doctorate/LLD) in Corporate Law & Finance. All my degrees are from East Coast schools. For almost 30 years, I was Chief Legal Counsel for a global publishing company in New York.

In 2017, I defended my thesis and earned my Ph.D. in Theology and Apologetics from a Christian university.

I find the environment at LLAA where "out of the box" learning is happening, to be electrically charged! I look forward to teaching your student this year.
