### **Laura Spurlock Teacher Bio**

Believing that God has a purpose for every human life, my desire is to fulfill the purpose He has for me. With the ability He has granted, I shall whole-heartedly endeavor to serve the community of Liberty Liberal Arts Academy.

My qualifications include being a born-again believer in the gospel of Jesus Christ for 40+ years and a member of Jubilee Christian Centre in Elgin.

I acquired a Bachelor of Science in Elementary Education degree from Southeast Missouri State University and taught elementary grades in Illinois and Maryland. My teaching experience also includes daycare and Sunday School.

Most recently my experience has been in healthcare, having been employed at Saint Joseph Hospital - the last nine years as a medical coding specialist. My coding courses and credentials are from College of DuPage.

I live in Elgin with my husband Neal. I have two adult children and two grandchildren.
